The Brooklyn gallery We Buy Gold and Orange Barrel Media have teamed up to organize Walls for a Cause NYC, a multi-site public art project and online exhibition that benefits the urban farm program Project EATS. Curated by We Buy Gold founder Joeonna Bellorado-Samuels and Diana Nawi, it features the work of nine Black and Latinx artists—Felipe Baeza, María Berrío, Theresa Chromati, Ariel Dannielle, Chioma Ebinama, Marcus Jahmal, Christopher Myers, Naudline Pierre, and Ilana Savdie—displayed on large-scale outdoor wall spaces throughout Brooklyn and Manhattan. The accompanying digital exhibition, titled "On the Other Side of Something," is on view through March 24.
