Fall Preview: Art 2025

Fall Is for Beginnings

Jerry Saltz – September 8-21, 2025

A new season, a new set of bets. Museums return with ambitious pitches. Galleries sharpen their instincts. Some shows thrill, some surprise, some confuse—bless them all.

Willie Birch: *Landscape: White Bench, Clapboard Siding, Two Cans, and Invasive Wildflowers*, 2023, acrylic and charcoal on paper, 72.25 x 90 inches.

Willie Birch: Up on the Roof

Fort Gansevoort, opens 9/10

Birch's figurative tableaux chronicle Black life in New Orleans with mythic immediacy.
